

### **Clarification of Criminal Background Acceptability for PRE-Clinical Training**

Since our program is a preparation for both the Clinical studies and for job placement we have a number of requirements that are dictated to us by the State of PA. In addition there are some “gray” areas that we also consider to be disqualifiers for this first, Pre-Clinical phase.

- Candidates who have been charged with a crime but whose court case has yet to come to a hearing are not eligible to enter a current class.
- Candidates who have been charged with certain crimes are not eligible for nurse aide training in the State of PA. *See the reverse of this sheet for this list of offenses.*
- Candidates who have committed crimes within the last year are not eligible to apply.
- Candidates who have been charged with a crime during their Pre-Clinical or Clinical phase will be dismissed until resolution. If found innocent, they will be accepted into the next available class. If guilty, they are welcome to reapply after one year from the date of conviction, providing the crime they are charged with is not a disqualifier as per the State of PA.
- Certain crimes committed within the past 7 years are also possible grounds for non-acceptance. These crimes include, but are not limited to, retail theft.

- I have received and reviewed a copy of the Clarification of Criminal Background Acceptability for Pre-Clinical Training as outlined by the Employment Skills Center, along with the list of Prohibitive Offenses contained in PA Public Law 169.
- I understand that it is my responsibility to disclose any possible disqualifiers as listed in these documents. I understand that if any of the disqualifiers apply to me, that I am not eligible for the program, and, if enrolled, will be dismissed from the program.
- I understand that it is my responsibility to disclose honestly and fully on my Initial Contact Candidate Application whether I have ever been arrested, convicted, or plead guilty to a summary charge, misdemeanor, or felony. I understand this information will be treated in a respectful and confidential manner and kept in the strictest confidence.
- I understand that I will be required to submit to a PA State Police Criminal Background Check, and an additional FBI background check if I have resided in the state of Pennsylvania for less than 2 years from the date of application. I also understand that the cost of the search(es) is my responsibility (\$10 to ESC and approximately \$30 to the examiner for the FBI search if required).
