FREE TRAINING

COMMUNITY HEALTH WORKER

August 29 - October 21

*Online, 3 days per week (9 am - 1 pm)

Start Your Pathway to a Caring Career

This 8-week, 100 hour course provides specialized training and prepares participants to succeed in the healthcare field. Training will include instruction in community health concepts, care coordination, advocacy, health education, CPR/First Aid, workplace skills, and much more.

Students who successfully complete training will be one step closer to employment and certification as a **Community Health Worker** on the front lines of healthcare.

Training and funding for this program provided by:
