

FREE TRAINING

CUSTOMER SERVICE AND SALES

ORIENTATION WORKSHOP—

February 13, 2024 / 9:00am—12:00pm

Location: ESC Computer Lab

What you can expect:

This orientation workshop and 14-16 hour self-paced course will provide participants with customer service and sales skills that are valuable in retail and other industries. Instruction is included in:

- Understanding the customer life cycle.
- Using effective strategies to engage customers.
- Assessing customer needs and closing sales.
- Workplace skills including problem-solving, teamwork, reading customer body language, and increasing customer satisfaction and retention.

Students who successfully complete the training will receive a National Retail Federation Foundation certification, a digital badge, and a credential for their resume.

Funding for this training program is provided by

Develop your
customer service
and sales skills!
