

# Course Announcement

## Summer EMT Academy

In partnership with Employment Skills Center in Carlisle, the Carlisle EMS Academy is again offering a Summer EMT Academy.

**For qualifying students, the Employment Skills Center is offering scholarships for 100% of program costs.**

*To be eligible, participants must complete the 4-day preparation course held at ESC, June 10-13.*

### Course Description:

Students who successfully complete this course and exams will graduate with a Pennsylvania and National Registry Certification as an Emergency Medical Technician, making them eligible to work as an EMT either within the commonwealth or in 48 states in the United States. Course attendance or scholarships do not require the candidate to join any ambulance service. This course involves a mixture of lecture and hands on practical skills in a simulation environment. Students will also have an opportunity to shadow current EMT and Paramedics on actual emergency calls in the Carlisle area.

## June 14 - August 17, 2024

### Location:

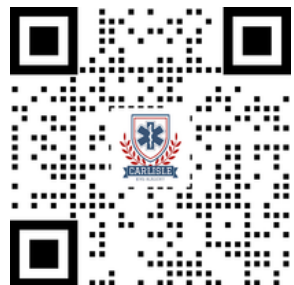

102 W Ridge St Carlisle, PA

### Cost:

\$1050 if self-funded, eligible students may receive full scholarships through Employment Skills Center
